

# Birdie Helmet Storage Bag

## Abstract

Stores helmet and/or baseball/softball mitts. Allows for carrying helmets, mitts, and personal items to/from softball/baseball fields. Provides a method to organize the dugout as to keep batting helmets off of the ground, and protected while not in use. A batter would come off of the field, and place his/her helmet or mitt into the pouch. The pouch would be secured via clips to the chain link fence in front of the dugout. A method to display team logo, school logo, or advertisements to be presented onto the flap of the pouch.
